# Beyond

*A Unique, Mystifying and Magical Theatrical Experience*

**2 Hours**

**H**ave you ever wondered what real magic was? What makes illusions so intriguing? When was the last time you were at an event where the entertainment experience has taken your breath away?

Illusionist, Speaker and Corporate Mind Reader, Derek Selinger is a magical master who weaves his theatrical story together in **Beyond**, with magic, illusion, film, music, state-of-the-art lighting and surround sound to create a riveting singular experience you will never forget!

Beyond is like no other theatrical performance you have seen before. Derek takes the audience from darkness to light, exploring themes of transformation, delight, triumph over fears and obstacles, and finally, celebration. All of these themes are presented through various Grande Illusions as well as smaller, more intimate pieces that allow members of the audience to share the spotlight.

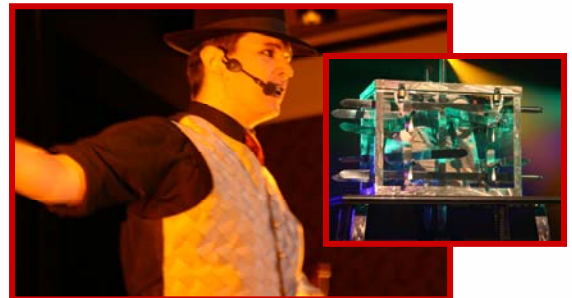

Derek Selinger's **Beyond** experience will have audiences of all ages:

- ▶ Captivated by spectacular Grande Illusions.
- ▶ Energized by the magic and immersed in the mystery unfolding before their eyes.
- ▶ Witness the rare Excalibur illusion. (Derek is one of very few in the world to perform this illusion.)
- ▶ Discover what your perceptions are as experience and reality collide.
- ▶ Gasping, erupting and smiling as they embark on this magical journey.

Derek Selinger's Beyond is a unique entertainment solution that will leave a lasting impression on your audience.

## Biography

### DEREK SELINGER

Illusionist, Speaker & Corporate Mind Reader, Derek Selinger is a consummate professional and a seasoned performer.

Derek has tailored his professional high-end entertainment experiences to suit the audiences of television networks, cruise ships, casinos, resorts, as well as corporate staff, client, and convention audiences all over the world.

He has an extensive entertainment range that he has learned with passion and discipline from legendary masters of this exacting and challenging art form. He has perfected and mastered the undeniable skills of the craft - manipulation, production and transformation.

Underneath it all, Derek is still the amazed little boy who picked up his first deck of cards at age 8. Inspired by the true story his mother told him that he was electrocuted before he was born he wondered in that moment if he had super powers. He also realized that life was a precious gift and decided to make the most out of every last single moment of it. Derek has had five near death experiences which have served to "wake him up" to the wonder of life that surrounds us all.

He started speaking at the tender age of fifteen to audiences in the hundreds and then thousands. He has spoken in over ten countries all over the world.

It wasn't until he was finishing his college education that Derek was discovered by a Las Vegas headliner and his craft of magic, illusions and mind reading, grew into a professional art form from there. Since then Derek has won six international awards for his work and he has performed internationally from Las Vegas, NV to the French Riviera for royalty, the corporate elite, and for millions on television worldwide with The Discovery Network. He is an incredible artistic director and visionary in his art form and is passionate about creating one-of-a-kind experiences.

Derek is educated, thoughtful, highly creative, and very entertaining. He thrives on helping others have fun and encourages them to experience all that life has to offer.

*"My show is a series of performance pictures designed to conjure up memories and thoughts from the audience. This form of entertainment seeks to **enlighten** us through art and entertainment. Indeed, it is through a deep sense of play that we learn more about our community and ourselves.*

*In a world that seeks to objectify the person and market to the potential, **magic** is an art that helps us remain human. Far beyond being complex puzzles, magic teaches us to be children again. It is from this perspective that we appreciate the wonders of life.*

*My dream is to continue to share my art with audiences all over the world. My hope is that these audiences will come away **entertained and enlivened**. I hope to see you at a performance where we can play... together."*
